Physical Education
Credit Waiver

Please Type or Print Clearly

Name:_____

Students may waive one-half (.5) credit of the required one and one-half (1.5) physical education credits if they complete an additional one-half (.5) credit in English, social studies, mathematics, or science and they participate in a school sponsored sport for an entire season during grades 9-11 or the fall and winter season of grade 12. The additional one-half credit (.5) must be above the minimum required number of credits for a particular subject area.

PE 1 and PE 2 may not be waived.

Participation in the sport itself does not constitute a course and does not qualify for any high school graduation credit.

The following criteria must be met for participation in a sport to be eligible for substituting English, social studies, mathematics, or a science course for one-half (.5) credit of physical education:

- The student must participate in a junior varsity-level or varsity-level sport for an entire season during grades 9-11 or fall and winter season of grade 12. Serving as a team manager does not fulfill this requirement.
- The student must not have had any violation of the Athletic Code during the season they wish to count for the athletic waiver.
- An injury does not preclude a student from successfully completing the season.

By signing below, you are in agreement that your son/daughter will waive .5 credits of the Physical Education graduation requirement based on their participation as stated above.
